By joining the Moshin Wine Club I understand that my Visa or MasterCard will be charged for three bottles of pre-release wine and shipping costs three times a year. I am responsible for providing current information to Moshin Vineyards. I am responsible for payment when wine is delivered to the address on file, whether or not I received it. Someone 21 years of age or older will be able to sign for the wine at delivery. My membership can be cancelled at any time after the first shipment by writing to Moshin Vineyards.
