VINEYARDS / WINEMAKING.

Fruit for this Rosé of Pinot Noir is sourced from premium vineyards as well as our own winemaker-tended estate within the Russian River Valley in Sonoma County, California. Captured “free run” juice delivers the essence and purity of the grape while a percentage of pressed juice adds structure and complexity.

TASTING NOTES:

Expressive aromatics and flavors of spring flowers, young strawberry, cherry, and watermelon with hints of grapefruit and wet stone. Full and balanced mid-palate finishing clean and fresh - the perfect balance of succulent fruit and mouthwatering acidity. Drink now through 2024.
